Parks & Recreation

The Lee Board of County Commissioners on Tuesday approved the GS-10 Preserve Land Management Plan. Funding for this water management project will be provided by [Lehigh Acres Municipal Services Improvement District \(LAMSID\)](#) and will be used to continue with maintenance of their restoration project, including the berms, weir and filter marshes.

Public Safety

The Lee Board of County Commissioners on Tuesday awarded a contract to provide an upgrade for the County's E911 customer-premises equipment. This replacement includes E911 phone systems at each Public Safety Answering Point, allowing for more accurate phone geolocation, text-to-911 and improved call processing and management.

Department of Transportation (DOT)

The Lee Board of County Commissioners on Tuesday awarded a contract for the construction of Corkscrew Road from Ben Hill Griffin Parkway to Bella Terra Boulevard. This project will widen this existing section of Corkscrew Road from a two-lane undivided arterial roadway to a four-lane divided arterial road. This project is one of two phases to widen Corkscrew Road from Ben Hill Griffin Parkway to Alico Road.

Flip This Kennel

Join [Lee County Domestic Animal Services](#) on Saturday, March 27, for a video game-themed "Flip This Kennel" competition. Animal Services, along with various county agencies and area rescues, will decorate kennels and catteries to highlight often-overlooked shelter pets in the adoption center.

It's the perfect time to adopt a new family member as adoption fees are reduced all month long to just \$40 for adult dogs and \$20 for cats with an approved application.
