DEMOCRATIC PARTY OF LEE COUNTY

\$10 a Month Supports Democracy in Lee County

One Small Monthly Gift. One Stronger Democratic Party.

Winning elections doesn't happen overnight. It takes year-round organizing, dedicated volunteers, informed voters, and a place where it all comes together.

The **Lee County Democratic Headquarters in Fort Myers** is the heart of our local grassroots movement. It's where volunteers gather, candidates connect with voters, training takes place, and plans are made to elect Democrats at every level.

Keeping our headquarters open and active requires ongoing support for operating expenses and community programming. Every contribution helps provide the resources needed to organize, educate, and mobilize voters throughout Lee County.

Imagine What We Could Do Together

If every Lee County Democrat contributed **just \$10 a month**, we could help:

- Keep Democratic Headquarters open and operating year-round
- Train and support volunteers
- Register and educate voters
- Host candidate forums and community programs
- Produce voter outreach materials
- Strengthen Democratic organizing throughout Lee County
- Help elect Democrats from the local level to Washington

Why Monthly Giving?

A recurring monthly gift provides dependable funding that allows our local Democratic Party to plan ahead, expand programs, and focus on electing Democrats—not just raising money. When we all pitch in, that small monthly gift becomes a powerful investment in the future of Lee County.
